Lunch: Bean Burrito

Regular Schedule

HAPPY BIRTHDAY TO: Kristen Barajas, Melanie Luster, and John Rovai and to all of you who celebrated a birthday over the break!

Thought for the Day: "You never will be the person you can be if pressure, tension and discipline are taken out of your life." -James G. Bilkey

SPORTS:

Attention Track and Field Athletes: Please remember practice starts for all athletes not still on a winter sport on Monday, Feb. 27th – ready to go with paperwork completed.

CLUBS:

STUDENTS:

FRESHMAN

SOPHOMORE

JUNIORS

Juniors: Become a College Prep Scholar

If you are a junior who has a strong academic record and an annual household income of less than \$60,000 you are encouraged to apply for QuestBridge's College Prep Scholarship. Through the College Prep Scholarship students will receive one or more awards that will help them prepare for the college admissions process and make them stronger applicants to selective colleges. Awards include scholarships for college summer programs, invitations to college admissions conferences, all-expense-paid college visits, and telementoring with college students. Applications are due March 27, 2012. See Ms. Slater or Ms. Jorgensen for more information.

SENIORS

Seniors: Our dinner tickets sales are going pretty well. Please make sure that you sell your tickets and TURN THEM IN! The more we sell the better prizes you could win! For every ticket you sell, you will earn a worker bee ticket. There will also be a prize for the top seller! So, get out there and sell! Contact Ashley Lovelace for more info. (707) 496-5302 unsold tickets and money are due by March 16th.

Seniors: The Humboldt Area Foundation will be on campus on Thursday, March 1 to talk about their local scholarships and help students apply online. They have lots and lots of local scholarships and usually our students receive lots of money for college and/or vocational/tech/trade schools. One scholarship in particular is the "Willard and Donna Mullan" scholarship, which awards \$1,000 - \$2,000 to FUHS graduates planning to attend CR. There are all types of scholarships for everyone, so plan to apply.

Workshop dates/time:

Thursday, March 1st

3rd & 4th period in the B Labs

If you'd like to attend, sign up in the office.

You can also just apply on your own. Go to their website at: hafoundation.org and click on scholarships. Create an account and fill out the questionnaire. Once you do that, a list of eligible scholarships will pop up. Be sure to apply to all of them. The deadline is March 15th.
